

## POINT SCORE SYSTEM

1. Swimmers must be financial members of the Club to be eligible to participate in the point score system.
2. No points will be allocated to a swimmer if they swim a stroke not allocated for that night.
3. Progressive point scores will be kept by the Registrar.

## POINT ALLOCATION FOR THE POINT

- 1 POINT for competing.
- 2 POINTS for swimming within 2 seconds of your best time.
- 3 POINTS for swimming within 1 second of your best time.
- 4 POINTS for swimming equal to your best time.
- 5 POINTS for swimming 0.5 seconds faster than your best time.
- 6 POINTS for swimming 0.6 - 1.0 second faster than your best time.
- 7 POINTS for swimming more than 1.0 second faster than your best time.
- 10 POINTS for being eligible to graduate to the next grade.

Existing Club members will have their fastest time calculated from their best swim in each stroke in the previous season. Best times for new members will be calculated from their first swim in each stroke over each distance.

It is not compulsory for children to swim in higher grades once the qualifying times have been met. Children will be encouraged to swim at a higher level and will initially receive 10 points for doing so. The children will not be penalised by swimming in a lower grade and receive one point for that swim, however, they will only receive 10 points graduating score once.

A swimmer may elect to advance a grade prior to achieving a qualifying time. They will receive points for graduating and participation but no other points will be awarded until qualifying time has been achieved.

## GRADING OF SWIMMERS

### TADPOLES

Your aim is to better the following times and graduate to Frogs

Freestyle	25m - 28 seconds
Freestyle	33m - 39 seconds
